ALUMNI ASSOCIATION

About

Alumni are a vital part of every educational institution. They are the link between the glorious past and the wonderful present of the University. It assists in various academic and administrative works, right from giving suggestions in decision-making to providing ideas for the welfare of the institution. Alumni Association of Tehatta Government College had been founded in 2023 and it started functioning with a get-together. Ex-students of our Bengali and History department are appreciated to have a plan to form an Alumni Association of theirs. And then a formal meeting (Notice No. 298 dated 16/09/2023) of all ex-students has been convened for this purpose on 21st September, 2023 (Friday) at 3 p.m. in the Lecture Theatre of the college. Around 35 alumni were present in that meeting. Members were elected anonymously and thus the executive committee was formed. Our volunteers shall get in touch with you at your convenience regarding the technicalities of the association.
