They were accompanied by one faculty member, Dr. Sumit Kumar Das and one office staff, Debabrata Mondal from the college, who provided continuous guidance and support throughout the event. The students began the day by taking part in the March Past, proudly representing the college, and later participated in their respective events as per the official schedule.

Although no positions were secured, their performances were marked by high energy, dedication, and sincere effort. Among them, Raki Mondal's performance in 400 meter run was particularly noteworthy and commendable. This experience proved to be both enriching and motivational for the participants and has inspired others to take an active interest in athletics and sports.
